NEWS RELEASE

ACADEMY VENTURES ARRANGES A \$2,175,000 PRIVATE PLACEMENT

Vancouver, B.C. – ACADEMY VENTURES INC. (“Academy” or the “Company”)

Academy Ventures (ACV: TSX-V) is pleased to announce that it has arranged a non-brokered private placement of 1,500,000 Units at a price of \$1.45 per Unit. Each Unit will consist of one common share and one-half share purchase warrant. Each warrant is exercisable, to purchase a share, at a price of \$1.80 per share for a period of twenty-four months from closing. The warrants will have an accelerated feature so that, if the shares of the Company trade at a price of \$2.50 per share or higher for a period of 10 consecutive trading days, the placee will have a further 15 trading days to exercise its warrants. If warrants are not exercised in that period, they shall be cancelled.

For a period of three years from the closing, the placee shall have the right, but not the obligation, to participate in any further equity financings of the Company in order to maintain their percentage position in the issued capital of the Company at a level of 9.65%.

No finders fee is payable.

The private placement is subject to approval of the TSX Venture Exchange and the securities issued are subject to resale restrictions in the appropriate securities jurisdictions.

On behalf of The Board of Directors of Academy Ventures Inc.

“Ioannis (Yannis) Tsitos”
President
